## Services

### WHAT IS KEY HOLDING?

**We provide a key holding and alarm response service, including intruder alarm response.**

Our mobile patrol officers, under the guidance of our 24-hour Control Room, are able to attend call-outs and emergencies on your behalf.

Due to changes in the way police respond to alarm systems, many companies are requesting security patrol response from day one of the installation of new alarm systems.

Our service minimises the risk to you and your employees and eliminates the possibility of out of hours call outs and next day fatigue.

Our highly trained officers are vigilant, responsive and able to liaise with emergency services, alarm companies and repair contractors to ensure your total peace of mind.

We provide these services across Yorkshire & Lincolnshire.

We supply and install alarm systems and we also liaise with other alarm companies to ensure the smooth operation of key holder duties to both new and already installed alarm systems.

*SPS Security offer a full range of security services including: 24 Hour CCTV Monitoring, Key Holding and Alarm Response, Mobile Patrols, Security Guarding, Shopping Centre and Retail Security, Gatehouse Security.*
